Dear Mr. Speaker:

I am pleased to submit the report of the chief electoral officer of the Yukon on the by-election held in the Electoral District of Vuntut Gwich'in on April 1, 1997. This by-election was required as the result of a petition to overturn the election of Robert Bruce in that electoral district on September 30, 1996. A Supreme Court judgement declared the election void and set aside.

This report is published pursuant to section 333 of the Elections Act.

Yours sincerely,

ELECTION SUMMARY

The by-election in the Electoral District of Vuntut Gwich'in was ordered following a decision in the Supreme Court of the Yukon on February 25, 1997.

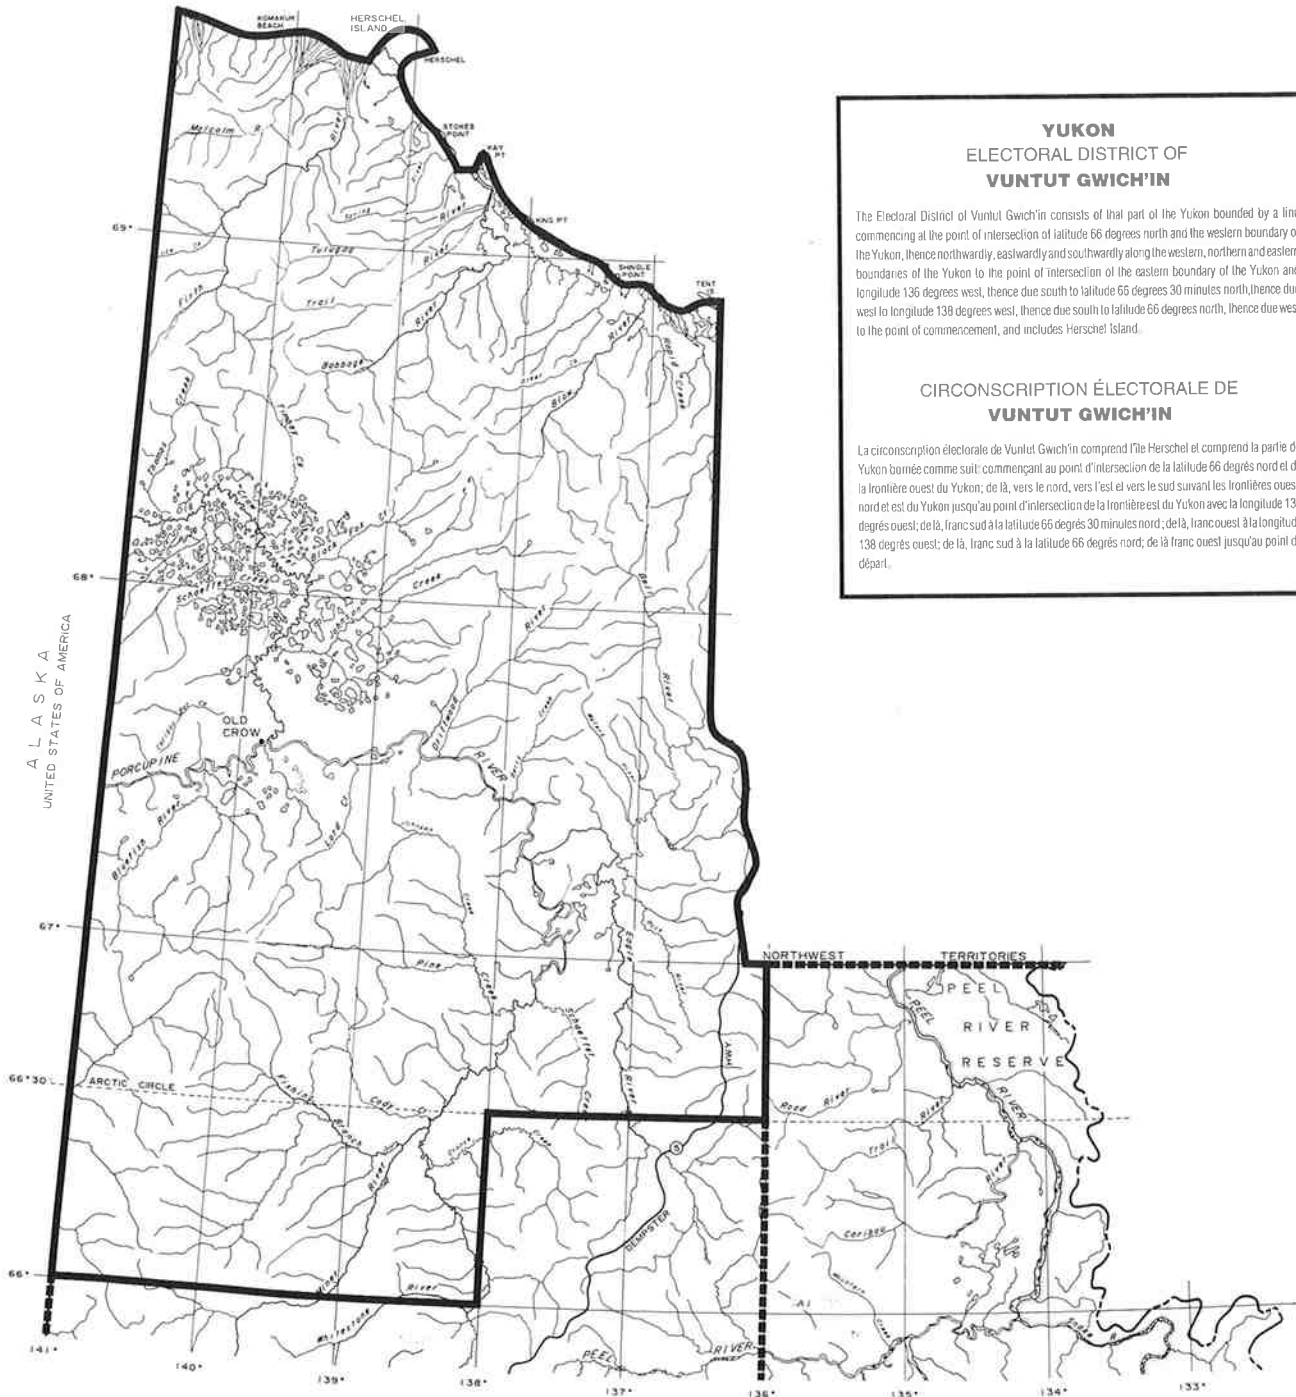

The election in this electoral district at the general election held on September 30, 1996 resulted in a tie vote between Robert Bruce (ND) and Esau Schafer (YP). After the judicial recount on October 5, 1996, a draw, as required by the *Elections Act*, was conducted by the judge of the Supreme Court. Robert Bruce was subsequently declared elected.

Esau Schafer successfully petitioned the court to overturn the election. At the trial, it was found that one elector, who had been enumerated but whose name did not appear on the list, voted contrary to the requirement to be on the official list of electors. Another voter had not resided in the Yukon for the necessary 12 months on polling day.

The writ for the election was issued on February 28, 1997. The list of electors prepared for the general election was revised and certified for the by-election. Because there was no enumeration, an information brochure was delivered to every residence in the community of Old Crow.

Two candidates filed nomination papers on March 10. Polling day was Tuesday, April 1, 1997 and 146 people voted, in addition to the 16 electors who voted at the advance poll on March 23 and 24, 1997. A recount was not required. Robert Bruce (ND) was declared elected on April 14, 1997.
